Select an assignment to view details, start working or edit your p	r previous work. Viewing 1 - 1 of 1 items			
Assignment Title	<u>Status</u>	<u>Open</u>	Due	
Peer Review Assignment 1	Not Started	Apr 1, 2019 11:55 PM	Apr 7, 2019 1:00 PM	
Peer Review Assignment 1 Peer Assessment - Students assess each other	Assignment submission required	Apr 7, 2019 1:00 PM	Apr 12, 2019 11:55 PM	

If your assignment has a peer review component, the Peer Assessment for the assignment will appear immediately beneath the assignment title in the list. However, you must submit your own assignment before you can complete your peer review(s) for other students.

Click on the assignment title to submit your work. Refer to <u>How do students submit an</u> <u>assignment?</u> for more information on submitting assignments.

Select a student submission to review.

Assignment Title	<u>Status</u>	<u>Open</u>	Due
Peer Review Assignment 1	Submitted Apr 7, 2019 12:52 PM	Apr 1, 2019 11:55 PM	Apr 7, 2019 1:00 PM
Peer Review Assignment 1 Peer Assessment - Students assess each other	Not started	Apr 7, 2019 1:00 PM	Apr 12, 2019 11:55 PM
Student 1	Not started		
Student 2	Not started		

Once you have submitted your own assignment, the Peer Assessment information will display.

Click on a student in the list to select that submission for review. You will not see the other students' names, only Student 1, Student 2, etc. Peer reviews are anonymous.

Note: The **Open** date begins after the due date for the assignment. The **Due** date is the deadline for completing your peer assessment.

Review your peer's submission.

- 1. You will see the Instructions for the Reviewer provided by the instructor.
- 2. The student **Assignment Submission** will display. Depending on the assignment settings, you may see your peer's submission in-line and/or as a file attachment(s).
- 3. Enter your **Grade** for the peer review.
- 4. Enter your feedback into the **Reviewer Comments** area using the <u>Rich Text Editor</u>.
- 5. Click Choose File to add an attachment containing additional feedback. (Optional)
- 6. Click **Submit** to submit your peer review.

View submitted peer assessments.

Assignment Title	<u>Status</u>	<u>Open</u>	Due
Peer Review Assignment 1 🎟	Submitted Apr 7, 2019 12:52 PM	Apr 1, 2019 11:55 PM	Apr 7, 2019 1:00 PM
Deer Review Assignment 1 Peer Assessment - Students assess each other	Incomplete	Apr 7, 2019 1:00 PM	Apr 12, 2019 11:55 PM
Student 1 🥏	Submitted		
Student 2	Not started		

Once you have submitted your review, the status for that student submission will change to **Submitted** and a green check mark will appear next to the student in the list.

Repeat the steps above to submit additional reviews. (Optional)

If your instructor has specified more than one review per student, repeat the process above to submit the number of peer assessments required.
