

How do I create a student audio response question?

This explains the process of adding a student audio response question (formerly called "audio recording" question) to any type of assessment. This question type presents users with a question that they must answer audibly. A recording utility opens and allows users to record the answer using a microphone.

Go to Tests & Quizzes.

Select the **Tests & Quizzes** tool from the Tool Menu in your site.

Select an assessment.

Questions may be added to any assessment. Select an existing assessment or create a new one.

Update Points

After selecting **Student Audio Response**, the program will open additional options for the question.

Set the point value for the question.

Answer Point Value

Enter the point value for this question. Questions may be worth any point value you choose.

Tip: Keep in mind that the point value of all the questions in the assessment will equal the point value of the assessment in the Gradebook. So, if you want your assessment to be worth a total of 100 points, you should assign point values to your questions accordingly.

Recite the following passage:

'Tis but thy name that is my enemy;
Thou art thyself, though not a Montague.
What's Montague? it is nor hand, nor foot,
Nor arm, nor face, nor any other part
Belonging to a man. O, be some other name!

Type the Question Text into the text box provided.
