

# What is the Tests & Quizzes User Activity Report?

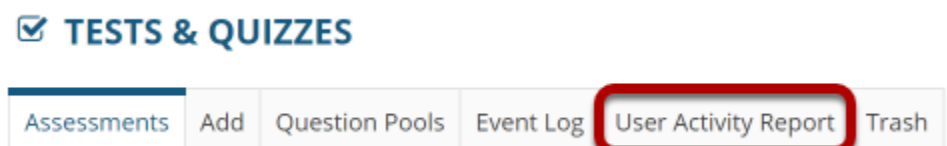

This feature allows the instructor to view a list of all assessment submissions for a specific student, including submissions that are no longer available via the Total Scores screen as because the instructor has allowed the student to retake (via "Allow Retake") the assessment.

## Go to Tests & Quizzes.

Select the **Test & Quizzes** tool from the Tool Menu in your site.

## Click User Activity Report.

Select the student you want to view from the drop-down list.
