

How do I enable Lessons subpage navigation in the Tool Menu?

Go to Site Info.

Select the **Site Info** tool from the Tool Menu of your site.

Click Manage Tools.

Check the box to Enable Lessons subpage navigation in the right tool menu.

The screenshot shows the 'Manage Tools' section of the Site Info page. On the left, there's a list of tools with checkboxes. On the right, a 'Selected tools' list shows the checked tools. A checkbox for 'Enable Lessons subpage navigation' is checked and highlighted with a red border.
