# How do I set the display of a Resources item to a specific time period?

Users can set the availability of a Resource file or folder to display to site participants at a specific date and time and become hidden at a specific date and time.

#### Go to Resources.

Select the **Resources** tool from the Tool Menu of your site.

## **Click Actions, then Edit Details.**

This displays the file or folder in Resources as hidden, except during the specified time period.

Notes:

- Instructors see hidden Resource items as grayed out.
- *If you set a specific date/time for the availability of a folder, all of the files within the folder automatically have the same availability date/time restrictions.*
